Thank You, Ayn, for getting back to me.

10:00 AM will work fine for me. Tomorrow, Tuesday, Jan 8, 2013

Greg gave me the following call-in information the other day:

ph: (b) (6)

Is this still valid?

Thank You,

Karl

Karl, thanks for the opportunity to have input and for letting us know of your time constraint- it looks as though both Greg and I could be available to talk with you at 10 tomorrow. Will that work for you?

Good Morning Ayn,

I just received your e-mail.

As I told Greg the other day, I am in the process of preparing a briefing for our congressional delegation and wanted to give you all an opportunity to provide some insight and fact checking.

11:00 PM tomorrow will be our last chance for my present effort.

Please let me know if this is agreeable and relate conference call details.

Thank You,

Karl
